Product Description

Toro GrandStand® HDX 60" Stand-On Mower - 72510

The Toro GrandStand® combines the speed and comfort of a zero-turn rider with the on-and-off ease of a wide area walk-behind creating a fast, maneuverable and more productive alternative. The HDX model provides increased efficiency with higher horsepower.

- The TURBO FORCE® cutting deck is built to withstand the long, tough days on the job.
 - 24" tires with big block horsepower allow you to travel at 12 mph.
 - More efficient operation with a flip up operator platform, utility hood and easy to get on and off.
 - The 7 gauge TURBO FORCE® deck with the i-beam front end is built to last and backed by our impressive warranty.
 - Easier Maintenance - Access to both sides of the engine, hydros and controls with the easy removal of the fuel tank.
 - Improve productivity with easy access on and off the machine with up to 10.5 gallons of fuel capacity to mow longer with fewer stops.
 - The platform has self-adjusting suspension, a larger open area to move around, and sloped sides for a more secure stance when cutting sloped terrain.
-
