Product Description

ECHO Trimmers…Performance!

What else needs to be said about the world's finest commercial-grade grass trimmers? ECHO's easy-to-use custom ergonomic controls, light-weight design, and powerful professional-grade, 2-stroke engine technologies give you the tools to enhance your productivity. Whether you need a lightweight curved shaft model for simple trimming around posts or fence lines or you to require the long reach of a straight shaft model, ECHO string trimmers are designed for performance.

There are other shaft configurations available including a split shaft design that can accommodate most ECHO Pro Attachment Series™ attachments and ones with a steel drive shaft for increased cutting head acceleration.

Features may include:

- 21.2 cc professional-grade, 2-stroke engine for outstanding performance
- i-30™ starting system for reduced effort starting
- 59" straight shaft
- Engine vibration-reduction system for operator comfort
- Speed-Feed® 400 trimmer head re-loads in seconds without disassembly
