DON'T LET THE PRICE FOOL YOU, THE MZ MAGNUM IS BUILT TO LAST

Dual Integrated Drive Systems provide reliable, self-contained power and performance. Features strong 2" x 2" all steel rail frame for its backbone with 3/8" steel front forks. The solid steel, all-welded deck, formed from tough 7-gauge steel with reinforced edges, features a baffling system to maximize airflow for greater grass lift and a cleaner cut. The frame rides on a lower center of gravity for better traction.
