Product Description

1" Clean Water Pump with Hose Kit

Generac’s CW10K is an all-in-one lightweight package that delivers the high-flow capacity you need to take on most pumping jobs! Startup is a snap with its custom Easy Prime™ funnel design, and color-coded suction and discharge ports; use it to remove standing water from small ponds, water gardens, and hot tubs.

Features:

- **Lightweight design** with ergonomic carry handle
- **Powerful Generac 33CC engine**
- Onboard instructions with icons of key touch points make this pump **easy to use**
- Easy Prime™ custom funnel design with tethered priming cap for **quick and easy priming**
- **Color-coded suction and discharge ports** to ensure the correct hose connections (Blue = Discharge; Green = Suction)
- Easily pumps up to **30 gallons per minute**
- **All-inclusive kit** includes 10’ suction hose, 25’ discharge hose, and strainer
